St. Mary's WWP Registration 2023-2024 is On!

Are you interested in getting together with a group of women to learn more about our Catholic faith? Maybe you would like to see how the Scriptures apply to your everyday life? Walking With Purpose (WWP) is a weekly Bible study for women that seeks to bring us to a deeper personal relationship with Christ through the teachings of Christ and the Catholic Church

Please join us **beginning October 3** for Walking With Purpose. This year we will begin with "Living in the Father's Love". This study will reveal the profound love God the Father has for each of us. We will follow with "Reclaiming Friendship". This course explores God's plan for friendship, which is meant to be a foretaste of Heaven.
